Re: February Monthly Report (1/01/00 - 1/31/00)

Dear Mr. Davis:

In response to your letter dated July 19, 2000, I have added the figures for both Line 21(a)(i) and Line 21(b)(ii) of the Detailed Summary Page and the figures I reported are correct. Could there be pages missing from the report you are working with? Before I file the report with FEC I carefully count all pages to make sure the report is complete.

The Amended 1999 February Monthly Report dated October 27, 1999 has nothing to do with the February Monthly (2000) Report. I am amending the Schedule H2 to correct event G1 to "new" for the February 2000 Monthly Report. All the events listed on this Schedule start on January 1 and end on January 31, 2000.

The disbursements with the description consulting are just that. The RNC uses various consultants, political, finance, communication, etc. I am amending the proper pages to correct the descriptions.

I am enclosing an amended report, which lists the corporate in-kind contributions on the RNSEC Itemized Receipt report.

If you need any additional information or further clarification, please feel free to contact me at 202-863-8755.

Sincerely,

Pat Huyck
Director of Accounting
